MEMORANDUM FOR: RED Personnel

SUBJECT : Reassignment of Parking Spaces

1. On 13 November the Support Staff forwarded a new procedure regarding the reapportionment of main lot parking spaces resulting from the designation of certain spaces now "for small cars only." The effect on RED will be:

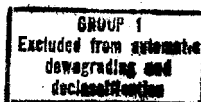

a. We will gain a parking space on the main lot. This must be occupied by a small car.

b. Two of our people are currently occupying spaces which have been redesignated "for small cars only;" these individuals both drive large cars and will, therefore, have to be moved.
